SABRE WULF
RICOCHET

Wide eyed, I [redacted] surroundings reveal their hidden secrets . . . Strange food orchids suddenly bloom, their staining toxins, strong on the air, then, in an instant, are gone. Hunters, killes, vampire bats and huge beasts spring forth from the very ground, swimming, slithering, diving and crawling . . . I must hide . . . Stay safe . . . With weapon strong and cunning nature, I will survive . . .
